THE COMPANY

Located in Grasse, the heart of the French perfumery industry, Parfum & Projet has access to the main suppliers and vendors of the industry.

Claudine Roublot, founder of Parfum & Projet, believes the creation of unique perfumes should be a process within the reach of all who desire it.

Her experience in the fragrance industry has spanned more than 15 years, working with some of the finest and most respected brands in the world. Parfumerie Fragonard, Diptyque, Ladurée, Raffles Hotels, All Nippon Airways, Le Printemps, Anthropologie, Marks & Spencer, are but a few of the clients that benefited from her olfactory marketing experience and allow her to lend her knowledge and skills to companies seeking to create their own signature fragrances.

Just like an architect, she selects the finest craftsmen and coordinates their skills to create high-quality, finished fragrance products that meet the standards and identity of each customer.

OUR UNIQUENESS

- The creation of high-quality and fully customized fragrance products in quantities accessible to clients of all sizes.
- Access to a vast network of very specialized craftsmen and suppliers gathered around a unique project: yours.
 - A knowledgeable and dedicated liaison who will guide you through every phase of the creation and production process to graphics, who manages craftsmen at each step of the development and masters all technical and creative processes.
 - An experienced partner who is always available and eager to understand the desires of each customer.
 - A perfume created and made in Grasse.

*Perfume is an art,
manufacturing a craft.*
